

CURRICULUM VITAE

WONG HOI YAN GLORIA
 <https://orcid.org/0000-0002-1331-942X>
Research lab: www.swsb.hku.hkOffice address: 524, The Jockey Club Tower
Centennial Campus, HKUPhone: +852-39172074
Email: ghywong@hku.hk**ACADEMIC QUALIFICATIONS**

1999	BA in Psychology & Philosophy (double major), The University of Hong Kong (HKU)
2004	MA in Translation, The Chinese University of Hong Kong
2011	PhD in Psychiatry, HKU

ACADEMIC APPOINTMENTS

2010-2013	Postdoctoral Fellow, Department of Psychiatry, HKU
2013-2015	Research Assistant Professor, Sau Po Centre on Ageing, HKU
2015-2021	Assistant Professor, Department of Social Work and Social Administration, HKU
2021-present	Associate Professor, Department of Social Work and Social Administration, HKU

HONORARY ACADEMIC APPOINTMENTS

2013-2017	Honorary Research Associate, Department of Psychiatry, HKU
2017-2019	Honorary Assistant Professor, Department of Psychiatry, HKU
2015-present	Honorary Research Fellow, Sau Po Centre on Ageing, HKU
2022-present	Honorary Associate Professor, Clinical Educational and Health Psychology Department, University College London (UCL)
2022-present	Visiting Fellow, The Geller Institute of Ageing and Memory (GIAM), School of Biomedical Sciences, University of West London
Jan-Jun 2022	Visiting Associate Professor, Department of Health Service and Population Research, Institute of Psychiatry, Psychology & Neuroscience (IoPPN), King's College London

2. EDITORSHIP AND EDITORIAL BOARD MEMBERSHIP

2022-present Associate Editor, *Early Intervention in Psychiatry*
 2020-present Assistant Editor, *Journal of Long-Term Care*
 2019-present Associate Editor, *Aging & Mental Health* (Assistant Editor in 2019-2021)

3. INVITED CONFERENCES & EVENTS

1. Social anxiety in early psychosis: A phenomenological exploration. The First Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK). 13-15 December 2008, Hong Kong.
2. Default mode network anomalies in first-episode schizophrenia: Relevance to understanding delusions of reference. The Second Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK). 11-13 December 2010, Hong Kong.
3. Phenotyping psychosis: The continuum of psychosis and content-dependent cognitive endophenotype. The 7th Annual Meeting of the Japanese Society of Schizophrenia Research. 16-17 March 2012 Aichi, Japan.
4. Connecting neurobiology to phenomena: Brain network connectivity and psychotic symptoms. The Third Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK). 8-10 December 2012, Hong Kong.
5. CST for Hong Kong Chinese: Cultural adaption and mechanisms of change. Cognitive Stimulation Therapy (CST) for Dementia: An International Perspective. 10 July 2015, London, UK.
6. Neuroimaging to Support CST. 3rd International Cognitive Stimulation Therapy (CST) Conference. St. Louis, Missouri, USA; 10-11 June 2019.
7. Social unrest and youth mental health in Hong Kong. Conflict and Mental Health: Current and Future Challenges. London School of Economics and Political Science (LSE). 13 February 2020, London.
8. Global Dialogue on Psychosocial Research in Dementia. World Dementia Council. 26 October 2021. <https://worlddementiacouncil.org/DLP/global-dialogues/psychosocial-research>
9. LSE Wellbeing Seminars. Responding to a looming mental health crisis: secondary prevention at scale for young and older people in Hong Kong. 26 May 2022. <https://cep.lse.ac.uk/new/events/event.asp?index=8395>

4. EXTERNAL PEER-REVIEWED COMPETITIVE RESEARCH GRANTS

In Project Coordinator, Principal Investigator, or Co-Principal Investigator Capacity

2018-2020 Principal Investigator. **Effectiveness of targeting residual delusional ideations in cognitive behavioural approach to reduce social anxiety in people with early psychosis**. Funded by Early Career Scheme (HK\$449,480)

- 2019-2020 Principal Investigator. **A culturally appropriate multimodal nonpharmacological intervention for Chinese people with mild-to-moderate dementia.** Funded by General Research Fund (HK\$686,688)
- 2019-2022 Project Coordinator. **Tools to Inform Policy: Chinese communities' Action in Response to Dementia (TIP-CARD).** Funded by Research Impact Fund (HK\$3,006,710 by RGC; total HK\$4,295,300 with HKU matching fund)
- 2020-2021 Principal Investigator. **Predicting and managing cardiovascular risk factors in people with schizophrenia: A population-based cohort study.** Funded by General Research Fund (HK\$355,839)
- 2022-2024 Project Coordinator. **Effectiveness and Cost-effectiveness of Technology-enriched Cognitive Stimulation Therapy (teleCST) and Carer Support.** Funded by Collaborative Research Fund (CRF) (HK\$4,144,000 by RGC; total HK\$4,169,000 with HKU matching fund)

In Co-Investigator Capacity

- 2013-2015 **FitMind exercise for improving cognition: A train-the-trainer program for mental health caregivers in the community.** Funded by Health Care and Promotion Fund – Research Grant Projects (HK\$299,940)
- 2013-2015 **“iPEP (Internet-based psychosis education program)”: Web-based self-help psychoeducation program for caregivers of patients with psychosis.** Funded by Health Care and Promotion Fund – Research Grant Projects (HK\$299,440)
- 2014-2015 **Family caregiving and long-term care decision of people with dementia in Hong Kong.** Funded by Public Policy Research Funding (HK\$332,426.7)
- 2014-2016 **Treatment resistance following the first-episode schizophrenia-spectrum disorder: a retrospective case-control study.** Funded by Health and Medical Research Fund (HK\$799,952)
- 2014-2016 **Five-year follow-up of a randomized controlled trial of the duration of early intervention for psychosis: 2 years vs. 3 years.** Funded by Health and Medical Research Fund (HK\$518,400)
- 2014-2016 **Psychotic-like experience (PLEs) in the general population of Hong Kong: a two-year prospective follow up study.** Funded by Health and Medical Research Fund (HK\$877,352)
- 2014-2016 **Reward learning impairment in clinical high-risk individuals, first-episode psychosis patients and their non-psychotic siblings: psychosis prediction and endophenotypic investigation.** Funded by General Research Fund (HK\$1,125,842)
- 2015-2016 **Characteristics and predictors of productive ageing involvement among older Chinese in Hong Kong.** Funded by General Research Fund (HK\$491,726)
- 2018-2020 **Promoting cognitive & psychosocial well-being of demented elders by cognitive stimulation therapy Hong Kong version (CST-HK).** Funded by Health Care and Promotion Scheme (HK\$459,074)
- 2020-2020 **Effects of Social and Political Unrests on Mental Health of Older People in Hong Kong.** Funded by Public Policy Research Funding (HK\$492,200)
- 2020-2022 **Dynamic relationships between delusions and cognitive control – a cross-sectional and longitudinal investigation.** Funded by General Research Fund (HK\$817,744)
- 2021-2023 **The Effects of the TimeBank Program on Promoting Voluntary Participation among Older Adults.** Funded by General Research Fund (HK\$944,672)
- 2022-2025 **Multimorbidity clusters in people with dementia: A multinational cohort study.** Funded by General Research Fund (HK\$886,816)

5. OTHER EXTERNAL RESEARCH FUNDING

In Principal Investigator or Co-Principal Investigator Capacity

- 2015-2018 Co-Principal Investigator **Project GrandMove: A healthy ageing x productive ageing project.** Funded by Simon KY Lee Foundation (HK\$6,804,802)

- 2015-2018 Principal Investigator. **Research on Project Sunrise: A district-based community shared-care model for dementia in the age-friendly community in Tsuen Wan.** Funded by Hong Kong Alzheimer's Disease Association (HK\$200,000)
- 2016-2017 Principal Investigator. **Research study on Dementia Care Mapping and person-centred care in Residential care homes for the elderly.** Funded by the Hong Kong Society for the Aged (SAGE) (HK\$240,965)
- 2016-2019 Co-Principal Investigator. **JC JoyAge Holistic Support Project for Elderly Mental Wellness.** Funded by The Hong Kong Jockey Club Charities Trust (HK\$25.86 million for HKU; project total HK\$87.61 million)
- 2017-2018 Principal Investigator. **Evaluation Study on Dementia Community Support Scheme.** Funded by Food and Health Bureau, Hong Kong SAR Government (HK\$1,376,366)
- 2017-2018 Co-Principal Investigator. **Innovations in non-pharmacological interventions for dementia.** Funded by HKU-UCL Strategic Partnership Fund (HK\$200,000)
- 2018-2020 Principal Investigator. **Research Study on Fit Solution – Community Transitional Day Rehabilitation Programme.** Funded by Christian Family Service Centre (HK\$500,000)
- 2019-2023 Co-Principal Investigator. **Jockey Club Community-based Youth Mental Wellness Hub ("LevelMind@JC").** Funded by The Hong Kong Jockey Club Charities Trust (HK\$119.15 million for HKU; project total HK\$294.71 million)
- 2020-2022 Principal Investigator. **BrainLive - Connecting Families Living with Dementia in Pandemic Situations and Beyond.** Funded by Simon KY Lee Foundation (HK\$3,399,680)
- 2020-2023 Co-Principal Investigator. **Jockey Club Holistic Support Project for Elderly Mental Wellness Impact Extension Programme ("JC JoyAge Phase II").** Funded by The Hong Kong Jockey Club Charities Trust (HK\$59.36 million for HKU; project total HK\$279.25 million)
- 2022-2025 Principal Investigator. **Phase Two of Jockey Club "Peace and Awareness" Mindfulness Culture in Schools Initiative.** Funded by The Hong Kong Jockey Club Charities Trust (HK\$40 million)

In Co-Investigator Capacity

- 2011-2013 Evaluation study on the personalised care programme (PCP) for patients with severe mental illness in the community for the Hospital Authority. Funded by Hospital Authority (HK\$631,588)
- 2014-2015 Longitudinal study on ageing-in-place scheme at HKHS rental estates: Baseline health and wellbeing status and 2-year outcome. Funded by Hong Kong Housing Society (HK\$250,000)
- 2014-2015 Research service for the residential homes for the elderly. Funded by Hong Kong Sheng Kung Hui Welfare Council (HK\$369,368)
- 2014-2016 Evaluation study on pilot scheme on living allowance for carers of the elderly persons from low income families. Funded by the Social Welfare Department, HKSAR Government (HK\$1,430,000)
- 2016-2018 Evaluation Study of the Second Phase of the Pilot Scheme on Community Care Service Voucher for the Elderly. Funded by Social Welfare Department, Hong Kong SAR Government (HK\$1,430,000)
- 2016-2019 An Evaluation Study on the AKA Persons with Dementia and Caregiver Companion Project. Funded by Aberdeen Kai-Fong Welfare Association Limited (HK\$270,667)
- 2017-2018 Outcome Study (2017-2018) of Residents in the Senior Citizen Residence Scheme. Funded by Hong Kong Housing Society (HK\$1,089,667)
- 2017-2018 Social Return on Investment (SROI) study for Services provided by the Hong Kong Housing Society Elderly Resources Centre. Funded by Hong Kong Housing Society (HK\$400,000)
- 2017-2018 A Social Return of Investment (SROI) Study on the HKHS "Ageing in Place" Scheme. Funded by Hong Kong Housing Society (HK\$250,000)
- 2017-2018 Study on Pilot Scheme on Living Allowance for Low-income Carers of Persons w/ Disabilities & Pilot Scheme on Living Allowance for Carers of Elderly Persons from Low-income Families. Funded by Social Welfare Department, Hong Kong SAR Government (HK\$2,000,000)
- 2017-2019 A Two-year Experimental Project for The Introduction, Adoption and Implementation of the New Standardised Care Need Assessment Mechanism for Elderly Services. Funded by Social Welfare Department, Hong Kong SAR Government (HK\$8,778,000)

- 2017-2020 **Evaluation Study of The Tanner Hill Elderly Homes Project: 3-Year Longitudinal Outcome Study.** Funded by Hong Kong Housing Society (HK\$776,037)
- 2018-2019 **Consultancy Study on Pilot Scheme on Home Care and Support for Elderly Persons with Mild Impairment.** Funded by Social Welfare Department, Hong Kong SAR Government (HK\$1,400,000)
- 2018-2020 **GrandMove Extension ("GrandMove X) - Robustness against Frailty- A Healthy Ageing x Productive Ageing Project.** Funded by Simon KY Lee Foundation (HK\$4,445,122)
- 2021-2024 **Evaluation Study Service for the Pilot Scheme on New Service Protocol for Attention Deficit/Hyperactivity Disorder with Comorbidity ("ADHD+").** Funded by Food and Health Bureau, Hong Kong SAR Government (HK\$1,399,663)

6. INTERNATIONAL PARTNERSHIP & CONTRIBUTION (SELECTED)

- Jan 13-14, 2012 Chairperson of the organising committee of **International Conference on Early Psychosis in Asia Pacific and Professional Early Psychosis Casework**
- Dec 1-2, 2017 Chairperson of the scientific and organising committee of the **2nd International CST Conference.** UCL and HKU, Hong Kong
- Jun 8, 2020 Invited speaker at the **4th LTCovid webinar** on the impact of COVID-19 on people living with dementia organised by LSE International Long-Term Care Policy Network
- Aug 27, 2020 Organiser and speaker of a joint webinar with an international dementia policy research project (STRiDE; <https://stride-dementia.org>) of seven lower- and middle-income countries (Brazil, India, Indonesia, Jamaica, Kenya, Mexico, South Africa) led by LSE
- Nov 19, 2021 Member, NIHR Three Schools' Dementia Research Programme Commissioning Panel <https://www.sscr.nihr.ac.uk/internal-proposals/three-schools-dementia/>
- Sep 29-Oct 1, 2022 Global Program Advisory and Abstract Review Sub-Committee, International Association for Youth Mental Health (IAYMH) Conference
- Apr 22-28, 2022 Chair, Organising Committee, 1st International Conference of LevelMind@JC "Community-based Youth Mental Health Service Development under the Global Framework for Youth Mental Health" (online). <https://www.levelmindconference.hku.hk/> with over 600 international delegates
- May 2022- Member, U21 Mental Health Work Group of Universitas 21 Health Sciences <https://u21health.org/u21-university-mental-health-group>

TEACHING AND LEARNING

Programme Committees

- 2016-2021 Member, Departmental Research Postgraduate Committee (DRPC), Department of Social Work & Social Administration, HKU
- 2016-2021 Deputy Programme Director, Master of Social Sciences (Mental Health), HKU
- 2021-2022 Member, Master of Social Sciences (Mental Health) Programme Committee, HKU
- 2021-2022 Programme Coordinator, Bachelor of Social Sciences (Counselling), HKU
- 2022-present External Academic Assessors (EAA), MSc Smart Ageing and Gerontology, Lingnan University and Hong Kong Metropolitan University (double degree)
- 2022-present Programme Director, Master of Social Sciences (Mental Health), HKU

Course Instructor, Coordinator & Workshop Leader (Selected)

- 2011-2012 PSYS6002 Descriptive Psychopathology. HKU Master/Postgraduate Diploma in Psychological Medicine (Psychosis Studies)
- 2011-2012 PSYS6005 Neurocognitive Dysfunctions in Psychosis. HKU Master/Postgraduate Diploma in Psychological Medicine (Psychosis Studies)
- 2014-present SOWK6201 Mental Health Problems in Old Age. HKU MSW, MSocSc (Mental Health), and MSocSc (Gerontology)
- 2015-present SOWK3091 Mental Health Sciences & Society. HKU Bachelor Degrees (offered to students from all faculties)

- 2016-present Content Expert (Depression), Interprofessional Education and Collaborative Practice (IPECP), HKU. Offered to HKU MBBS, BNurs, BSW, MSW; the programme is the recipient of the Gold Award by QS Reimagine Education, 2021 (Hybrid Learning)
- 2019-present Content Expert (Dementia), IPECP, HKU
- 2019 SOWK6322 Special Topics in Mental Health I (Mental Health Economics & Policy) Offered to MSocSc (Mental Health) and RPg students, HKU
- 2021 SOWK6337 Evidence-based Interventions and Care for People with Dementia. HKU MSW, MSocSc (Mental Health), and MSocSc (Gerontology)

Supervision of PhD Studies (as Primary Supervisor)

- 2020 Zhang Yan Anna. Dissertation title: The Role of Engagement in Affecting Non-pharmacological Intervention Outcomes of People with Dementia Receiving Cognitive Stimulation Therapy
- 2021 Choy Chak Pui. Dissertation title: Understanding Family Care from a Team Perspective: Size, Dynamics and Networks in the Context of Aged and Dementia Care
- 2021 Leung Kiu Yi. Dissertation title: Impact of Behavioural and Psychological Symptoms of Dementia on Carer Burden and Coping Strategies
- 2022 Cai XinXin. Dissertation title: Access to Care among Older Adults with Mental Health Problems: Measurement, Inequity, and the Impact of a Task-Shifting Approach

Overseas Teaching Experience

- 2018 Doctorate in Clinical Psychology, **UCL**
Guest lecture on "Neuropsychology of Dementia" on 26 June 2018 to Year 1 students
- 2019- Thesis Committee, PhD Programme, **UCL**
Dissertation of Ms Esther Hui, Department of Clinical, Educational and Health Psychology (Primary Supervisor: Prof Aimee Spector)
- 2020- MSc in Global Health Policy, MSc in International Health Policy and MSc in International Health Policy (Health Economics), **LSE**
Guest lecture on "Child and adolescent mental wellbeing" for HP432 Mental Health Policy
- 2021- Doctorate in Clinical Psychology, **UCL**
Guest lecture on "Lifespan Development - Aging Health & Disability" to Year 1 students
- 2021 External Examiner, Bachelor of Medical Science (Honours), **University of Auckland**
Dissertation of Ms Doris Zhang, Medical and Health Sciences (Supervisors: Dr Lillian Ng, Dr Gary Cheung, Dr Sarah Cullum)
- 2022 MSc Dementia Studies: Contemporary Approaches to Practice, **University West London**
Guest lecture on "Cognitive Stimulation Therapy (CST) for people living with dementia" to Year 1 students
- 2022 **Imperial College London**
Guest lecture on "Neuropsychology of Neurodegenerative Disorders: the Default Mode Network and Dementia" to Year 2 students for the course CLCC50002 - Advances in Modern Psychology 2021-2022

KNOWLEDGE EXCHANGE

Contribution to Professional Services (Selected)

- 2014-present HKU Project Coordinator for the Certified Dementia Care Planner programme of the Hong Kong Alzheimer's Disease Association; Alzheimer's Disease International; and the Sau Po Centre on Ageing, HKU. Now in its 22nd batch, the programme has trained over 1,000 professionals (social workers, occupational therapists, nurses)
