ACCREDITATION

Our programme is accredited by the Hong Kong Social Workers Registration Board. Graduates are eligible to apply for registration as Registered Social Workers (RSW).

Social Work is a **PROFESSION** that can change your life, others' lives, and the world.

GLOBAL DEFINITION OF SOCIAL WORK

Social work is a practice-based profession and an academic discipline that promotes social change and development, social cohesion, and the empowerment and liberation of people. Principles of social justice, human rights, collective responsibility and respect for diversities are central to social work. Underpinned by theories of social work, social sciences, humanities and indigenous knowledge, social work engages people and structures to address life challenges and enhance wellbeing. The above definition may be amplified at national and/or regional levels. (International Federation of Social Workers, 2014)
