

CURRICULUM VITAE
Wong Hoi Yan, Gloria
BA, MA, PhD

CURRENT POSITION

Assistant Professor

Department of Social Work and Social Administration, The University of Hong Kong
Room 524 Jockey Club Tower, The Centennial Campus, The University of Hong Kong, Pokfulam Road
3917 2074
ghywong@hku.hk

HONORARY APPOINTMENTS

Honorary Research Associate

Department of Psychiatry, LKS Faculty of Medicine, The University of Hong Kong

Honorary Research Fellow

Sau Po Centre on Ageing, The University of Hong Kong

EDUCATION

PhD Department of Psychiatry, The University of Hong Kong. Received 2010.
Thesis Title: A Study of Ideas and Delusions of Reference in Schizophrenia –
Phenomenological, Cognitive, and Physiological Explorations

MA Department of Translation, The Chinese University of Hong Kong. Received 2004.

BA Department of Psychology & Department of Philosophy, The University of Hong Kong.
Received 1999.

PERSONAL EXPERIENCE

2013-2015 Research Assistant Professor, Sau Po Centre on Ageing, The University of Hong Kong

2013-2013 Research & Development Manager, Hong Kong Alzheimer's Disease Association

2010-2013 Postdoctoral Fellow, Department of Psychiatry, The University of Hong Kong

2003-2006 Editor, MIMS (formerly CMPMedica)

2000-2002 Production Editor, Lippincott Williams & Wilkins

1999-2000 Project Officer, Centre on Ageing, The University of Hong Kong

PROFESSIONAL QUALIFICATIONS & MEMBERSHIPS

Member Gerontological Society of America (2014 – present)

Member American Psychological Association (2013 – present)

Member Hong Kong Schizophrenia Research Society (2006 – present)

Member The Council of Science Editors (2001 – 2002)

COMMUNITY SERVICES

Advisory Board Member, Institute of Alzheimer's Education, Hong Kong Alzheimer's Disease Association (2015-present)

Advisor, Dementia Assessment Service and Dementia Care Planning Service, Hong Kong Family Welfare Society (2014-present)

Education and Publication Subcommittee, Hong Kong Alzheimer's Disease Association (2013-2014)

Foundation Member and Vice-Chairperson, Knowledge Development and Transfer, Hong Kong Early Psychosis Foundation (2007-present)

AWARDS

Young Scientist Travel Award, The 7th Annual Meeting of the Japanese Society of Schizophrenia Research, Japanese Society of Schizophrenia Research (2012)

Poster Award, 6th International Conference on Early Psychosis, International Early Psychosis Association (2008)

Dean's Honour List, Faculty of Arts, The University of Hong Kong (1999)

Y.K. Pao Scholarship in Psychology, The University of Hong Kong (1999)

INVITED CONFERENCE PRESENTATIONS

1. Exploring Brain Mechanisms in Cognitive Stimulation for Dementia. **International Alzheimer's Disease Conference**. 17-18 June 2016, Hong Kong.
2. Anti-frailty as a Way of Living: Forming Exercise Habits in Frail and Pre-frail Older Adults. **Centre for Gerontological Nursing, School of Nursing, The Hong Kong Polytechnic University Inaugural Conference**. 27 May 2016, Hong Kong.
3. Cognitive Stimulation Therapy: Current Evidence and Application. **The 11th International Symposium on Healthy Aging**. 12-13 March 2016, Hong Kong.
4. Synergy of productive ageing and healthy ageing: Community eldercare model for a diminishing work force. **The Harvard Center Shanghai Eldercare Symposium**. 15-16 October 2015, Shanghai, China.
5. CST for Hong Kong Chinese: Cultural adaption and mechanisms of change. **Cognitive Stimulation Therapy (CST) for Dementia: An International Perspective**. 10 July 2015, London, UK.
6. Cognitive stimulation for people with dementia or cognitive impairment in Hong Kong Chinese community. **International Alzheimer's Disease Conference**. 26-27 June 2015, Hong Kong.
7. Help-seeking and early assessment of neurocognitive disorders in the community. **International Alzheimer's Disease Conference**. 6-7 June 2014, Hong Kong.
8. Connecting neurobiology to phenomena: Brain network connectivity and psychotic symptoms. **The Third Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK)**. 8-10 December 2012, Hong Kong.
9. Phenotyping psychosis: The continuum of psychosis and content-dependent cognitive endophenotype. **The 7th Annual Meeting of the Japanese Society of Schizophrenia Research**. 16-17 March 2012 Aichi, Japan.
10. Default mode network anomalies in first-episode schizophrenia: Relevance to understanding delusions of reference. **The Second Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK)**. 11-13 December 2010, Hong Kong.
11. Understanding delusions of reference: Psychopathological, cognitive and neuroimaging approaches. **The Scientific Symposium 2010 of The Hong Kong Schizophrenia Research Society**. 11 September 2010, Hong Kong.
12. Social anxiety in early psychosis: A phenomenological exploration. **The First Joint International Conference of The Hong Kong College of Psychiatrists and The Royal College of Psychiatrists (UK)**. 13-15 December 2008, Hong Kong.

CONFERENCE ORGANIZER & SYMPOSIUM CHAIR

- | | |
|---------------------|---|
| November 19, 2015 | Co-chair of the symposium "Changing Paradigm of Eldercare in a Rapidly Aging Asian City: The Hong Kong Scenario". The 68th Annual Scientific Meeting of The Gerontological Society of America ; Orlando, Florida. |
| April 10, 2015 | Member of the organizing committee of the International Conference on Advances in Non-pharmacological Interventions for People with Dementia and Caregivers . Sau Po Centre on Ageing, The University of Hong Kong. |
| November 6, 2014 | Co-chair of the symposium "Help-seeking and Early Detection of Cognitive Impairments in the Community". The 67th Annual Scientific Meeting of The Gerontological Society of America ; Washington, DC. |
| January 13-14, 2012 | Chairperson of the organizing committee of the International Conference on Early Psychosis in Asia Pacific and Professional Early Psychosis Casework - Training and Prospect . Hong Kong Early Psychosis Intervention Society and co-organized by the Department of Psychiatry, The University of Hong Kong. |

GRANTS

- 2016-2019 **Holistic support programme on mental health for older People**
Funded by The Hong Kong Jockey Club Charities Trust (HK\$87.61 million)
Co-Principal Investigator (with Professor Terry YS Lum)
- 2016-2017 **Research study on Dementia Care Mapping and person-centred care in Residential care homes for the elderly**
Funded by the Hong Kong Society for the Aged (SAGE) (HK\$240,965)
Principal Investigator
- 2016-2017 **Preparedness of dementia family caregivers and its impact on family wellbeing**
Funded by HKU Seed Funding Programme for Applied Research (HK\$98,198)
Principal Investigator
- 2015-2018 **Project GrandMove: A healthy ageing x productive ageing project**
Funded by Simon KY Lee Foundation (HK\$5,292,622)
Co-Principal Investigator (with Professor Terry YS Lum)
- 2015-2018 **Research on Project Sunrise: A district-based community shared-care model for dementia in the age-friendly community in Tsuen Wan**
Funded by Hong Kong Alzheimer's Disease Association (HK\$200,000)
Principal Investigator
- 2015-2016 **Contributing factors and early outcomes of delayed help-seeking and intervention in dementia: Naturalistic prospective study and predictive model**
Funded by HKU Seed Funding Programme for Applied Research (HK\$96,068)
Principal Investigator
- 2015-2016 **Examination of social support in relation to medical comorbidity and physical health in ageing adults with serious mental illness: A case-control follow-up study**
Funded by HKU Seed Funding Programme for Basic Research (HK\$120,000)
Co-Investigator
- 2015-2016 **Characteristics and predictors of productive ageing involvement among older Chinese in Hong Kong**
Funded by General Research Fund (HK\$491,726)
Co-Investigator
- 2015-2015 **A culturally appropriate multimodal non-pharmacological intervention for Chinese people with mild Alzheimer's disease**
Funded by HKU Seed Funding Programme for Basic Research (HK\$43,000)
Principal Investigator
- 2015-2015 **Framework and components for advance care planning intervention for dementia (ACP-D): A Delphi study**
Funded by HKU Seed Funding Programme for Basic Research (HK\$43,000)
Co-Investigator
- 2014-2016 **Evaluation study on pilot scheme on living allowance for carers of the elderly persons from low income families**
Funded by the Social Welfare Department, HKSAR Government (HK\$1,430,000)
Co-Investigator
- 2014-2016 **Predicting treatment response in first-episode psychosis**
Funded by Health and Medical Research Fund (HK\$999,680)
Co-Investigator
- 2014-2016 **Treatment resistance following the first-episode schizophrenia-spectrum disorder: a retrospective case-control study**
Funded by Health and Medical Research Fund (HK\$799,952)
Co-Investigator
- 2014-2016 **Five-year follow-up of a randomized controlled trial of the duration of early intervention for psychosis: 2 years vs. 3 years**
Funded by Health and Medical Research Fund (HK\$518,400)
Co-Investigator
- 2014-2016 **Psychotic-like experience (PLEs) in the general population of Hong Kong: a two-year prospective follow up study**

- Funded by Health and Medical Research Fund (HK\$877,352)
Co-Investigator
- 2014-2016 **Reward learning impairment in clinical high-risk individuals, first-episode psychosis patients and their non-psychotic siblings: psychosis prediction and endophenotypic investigation**
Funded by General Research Fund (HK\$1,125,842)
Co-Investigator
- 2014-2015 **Workshop and implementation guidebook for elderly services organization managers on evidence-based non-pharmacological interventions for people with dementia and family caregivers**
Funded by Impact Project Scheme of Knowledge Exchange Exercise (HK\$85,000)
Principal Coordinator
- 2014-2015 **Healthy x productive ageing: Elderly peer health educator programme**
Funded by Impact Project Scheme of Knowledge Exchange Exercise (HK\$70,000)
Project Team Member
- 2014-2015 **Cognitive, psychosocial and neurobiological predictors and pathway of change in people with mild Alzheimer's disease receiving cognitive stimulation therapy**
Funded by HKU Seed Funding Programme for Basic Research (HK\$120,000)
Principal Investigator
- 2014-2015 **Longitudinal study on ageing-in-place scheme at HKHS rental estates: Baseline health and wellbeing status and 2-year outcome**
Funded by Hong Kong Housing Society (HK\$250,000)
Co-Investigator
- 2014-2015 **Monetary costs of community care for dementia: A micro-costing study using ecological momentary assessment**
Funded by HKU Seed Funding Programme for Basic Research (HK\$47,900)
Co-Investigator
- 2014-2015 **Family caregiving and long-term care decision of people with dementia in Hong Kong**
Funded by Public Policy Research Funding (HK\$332,426.7)
Co-Investigator
- 2014-2015 **Research service for the residential homes for the elderly**
Funded by Hong Kong Sheng Kung Hui Welfare Council (HK\$369,368)
Co-Investigator
- 2013-2015 **"iPEP (Internet-based psychosis education program)": Web-based self-help psychoeducation program for caregivers of patients with psychosis**
Funded by Health Care and Promotion Fund – Research Grant Projects (HK\$299,440)
Co-Investigator
- 2013-2015 **FitMind exercise for improving cognition: A train-the-trainer program for mental health caregivers in the community**
Funded by Health Care and Promotion Fund – Research Grant Projects (HK\$299,940)
Co-Investigator
- 2013-2016 **Social cognition of people with psychosis-like experiences (PLEs): Behavioral and functional imaging study**
Funded by HKU Small Project Funding (HK\$69,575)
Co-Investigator
- 2013-2016 **fMRI investigation of verbal information disclosure non-disclosure in schizophrenic patients and healthy controls**
Funded by HKU Small Project Funding (HK\$75,191)
Co-Investigator
- 2012-2014 **A single-blinded randomized controlled clinical trial of internet-assisted aerobic exercise (FitMind Program) in patients with early psychosis**
Funded by HKU Seed Funding Programme for Basic Research (HK\$117,726)
Co-Investigator
- 2011-2014 **Randomized controlled trial of cognitive behavioural therapy for people at high-**

- risk for psychosis**
Funded by General Research Fund (HK\$850,000)
Co-Investigator
- 2011-2012 **Validation of negative symptom scale & investigation of reward learning deficits in first-episode schizophrenia**
Funded by HKU Seed Funding Programme for Basic Research (HK\$120,000)
Co-Investigator
- 2011-2013 **Evaluation study on the personalised care programme (PCP) for patients with severe mental illness in the community for the Hospital Authority**
Funded by Hong Kong Hospital Authority (HK\$631,588)
Co-Investigator
- 2009-2011 **fMRI investigation of self-relevance in schizophrenia patients**
Funded by HKU Seed Funding Programme for Basic Research (HK\$120,000)
Co-Investigator

SUPERVISION OF RESEARCH POSTGRADUATE STUDENTS

Wang Junfang, Ph.D. Dissertation title: Caregiving Experience and Its Influencing Factors: Adult Child versus Spousal Caregivers Caring for People with Dementia in China. Received 2016.

TEACHING & TRAINING

- 2015-2016 Course Instructor & Course Coordinator, **SOWK3091 Mental Health Sciences & Society**
HKU Bachelor Degrees
- 2015 Internal Examiner, **PSYS6101 Dissertation**
HKU Master in Psychological Medicine (Psychosis Studies)
- 2015 Speaker, **Essentials for Understanding Dementia**
Certified Dementia Care Planner (CDCP) course by the Hong Kong Alzheimer's Disease Association, Alzheimer's Disease International, and HKU Sau Po Centre on Ageing
- 2014-2015 Course Instructor & Course Coordinator, **SOWK6201 Mental Health Problems in Old Age**
HKU Master of Social Work and Master of Social Sciences (Mental Health)
- 2015 Speaker, **One-Day Symposium on Dementia in the Pearl River Delta**
A one-day workshop co-organized by the Hong Kong Alzheimer's Disease Association; The University of Hong Kong-Shenzhen Hospital; Sau Po Centre on Ageing, The University of Hong Kong; Macau Alzheimer's Disease Association; and The First Affiliated Hospital, Sun Yat-sen University
- 2014-2016 Workshop Leader, **Preplacement Training Workshop "Introduction to Dementia"**
A 3-hour workshop for the HKU Master of Social Work programme
- 2011-2012 Course Instructor & Course Coordinator, **PSYS6002 Descriptive Psychopathology**
HKU Master/Postgraduate Diploma/Postgraduate Certificate in Psychological Medicine (Psychosis Studies)
- 2011-2012 Course Instructor & Course Coordinator, **PSYS6005 Neurocognitive Dysfunctions in Psychosis**
HKU Master/Postgraduate Diploma/Postgraduate Certificate in Psychological Medicine (Psychosis Studies)

PROFESSIONAL SERVICES & KNOWLEDGE EXCHANGE

A. AD-HOC JOURNAL REVIEWER

International Journal of Geriatric Psychiatry, Psychological Reports, American Journal of Alzheimer's Disease & Other Dementias, Ageing International, Early Intervention in Psychiatry, Asian Journal of Psychiatry, Psychiatry Research, Clinical Neuropsychiatry, Health Psychology Open, BMC Geriatrics, and Aging and Mental Health

B. KNOWLEDGE EXCHANGE ACTIVITIES

Training Course Coordinator

HKU Project Coordinator for the Certified Dementia Care Planner (CDCP) programme (since 2014) of the Hong Kong Alzheimer's Disease Association; Alzheimer's Disease International; and the Sau Po Centre on Ageing, The University of Hong Kong

Workshop Organizer

Principal coordinator for a HKU Knowledge Exchange workshop on dementia (8-9 April 2015)

Media Interviews and Newspaper Columns

1. 2016 Aberdeen Kai-fong Association (AKA) (耆樂視窗) article on productive and healthy ageing
2. 15 Dec 2015 The Voice (松柏之聲) article on frailty and physical exercise
3. 24 August 2015 Mingpao Daily article on family relationship in elder care
4. 20 July 2015 Mingpao Daily article on family relationship in mental illnesses
5. 22 September 2014 Interview by the Shanghai Morning Post (新報晨報) on dementia care
6. 15 July 2014 The Voice (松柏之聲) article on dementia community care
7. 21 December 2013 RTHK and Mingpao interview on healthy ageing

Speaker at Public Talks

1. Health talks organized by the Hong Kong Housing Society on healthy ageing
 - 10 June 2015 Ming Wah Da Ha
 - 17 June 2015 Kwun Lung Lau
2. Secondary School Tour organized by the Hong Kong Early Psychosis Society on psychosis
 - 28 February 2013 King's College
 - 17 April 2013 CUHKFAA Chan Chun Ha Secondary School
 - 23 May 2013 Po Leung Kuk Wu Chung College
 - 2 July 2013 Tin Ka Ping Secondary School
3. Public Science Talk series organized by the Jockey Club Early Psychosis Project on understanding delusions and hallucinations
 - 13 Oct 2012 Hong Kong Cultural Centre
 - 25 February 2012 Hong Kong Cultural Centre
 - 12 November 2011 Hong Kong Cultural Centre
 - 22 October 2011 Hong Kong Cultural Centre
