## RESEARCH GRANTS AND CONTRACTS

### University Grants Council

- E.1 **Principal Investigator**. Characteristics and predictors of productive ageing involvement among older Chinese in Hong Kong. Funded by the Research Grants Council. Award amount: HK\$491,726 (award period: 2015 – 2016, status: ongoing)
- E.2 Co-Investigator. Model predicting health outcomes of family caregivers of Chinese dementia sufferers: A sequential explanatory mixed method study. Funded by the Research Grants Council. Award amount: HK\$563,254. (Principal investigator: Dr. Doris Yu, the Nethersole School of Nursing, Chinese University of Hong Kong, award period: 2014 – 2016, status: on-going)
- E.3 Co-Investigator. An integrated study of the population policy for Hong Kong. Funded by the Research Grants Council – Strategic Public Policy Research. Award amount: HK\$3,180,000 (Principal investigator: Prof. Paul Yip, Department of Social Work and Social Administration, HKU, award period: 2013 – 2018, status: on-going)
- E.4 Co-Investigator. Creating an adequate and equalizing but affordable retirement protection system in Hong Kong. Funded by the Research Grants Council – Strategic Public Policy Research. Award amount: HK\$2,826,090. (Principal Investigator: Prof. K. L. Chou, Hong Kong Institute of Education, award period: 2012 – 2017; status: on-going)

### Other Competitive Research Grants

- E.5 Co-Principal Investigator. Faith and Science Collaborative Research Forum. Funded by the Templeton World Charity Foundation, Inc. for US\$804,086 (HK\$6,271,871) for three years (award period December 1, 2015 – November 30, 2018, PI: Professor Pauline Chui of Chemistry Department of HKU, status: on-going)
- E.6 **Principal Investigator**. Family caregiving and long-term care decision of people with dementia in Hong Kong. Funded by the Public Policy Research Funding Scheme. Award amount: HK\$289,067 (award period: 2014 – 2015; status: on-going)
- E.7 Co-Investigator. Study on the determinants of poverty and potential interventions to alleviate poverty in Hong Kong. Funded by the Hong Kong Jockey Club Charities Trust

- General Award. Award amount: HK\$14,620,000. (Principal investigator: Professor Paul Yip, the Department of Social Work and Social Administration, HKU, award period: 2014 – 2016, status: on-going)

- E.8 Co-Investigator. Teaching international social work to students across the globe using online technology. Funded by the International Association of Schools of Social Work. Award amount: US\$4,000 (HK\$31,200; Principal Investigator: Prof. Cindy Davis, University of Tennessee – Nashville, award period: 2013, status: successfully completed)
- E.9 Principal Investigator. A cross national comparison of caregiving barriers and supports between the United States, China, and Sweden. Funded by the Harvey A. Friedman Center for Aging’s Global Aging Initiative funding program, Washington University. Award amount: US\$14,800 (HK\$115,400; Co-Principal Investigator: Prof. M. Lilja, Luleå University of Technology in Sweden and Prof. S. Stark, Washington University in USA, award period: 2014, status: on-going)

### **Invited Contract Research**

- E.10 **Principal Investigator.** Three-year project on enhancement of the infrastructure of long-term care in Hong Kong. Direct allocation by the Social Welfare Department of Hong Kong SAR Government. Funded amount: HK\$24,676,000 (US\$3,163,590). (award period: 2013 – 2016, the project will help the HKSAR Government to redesign its long term care system for frail elders and this new systems is essential for the successful implementation of the new “money follows the old person” aging policy and the carer allowance program in Hong Kong, **my research team is the only team in the world that have the expertise on both developing casemix and outcome systems for long term care and cultural context of elder care in Chinese society**)
- E.11 **Co-Director.** The CADENZA Project. The CADENZA project was supported by the Hong Kong Jockey Club with a donation of HK\$380 million. (Co-Directors: Professor Ada Mui of Columbia University and Professor Jean Woo of the Chinese University of Hong Kong, award period: 2006 – 2011. Professor Jean Woo became the sole director of the project after the first year when both Professor Mui and I changed our roles to become project consultants). **A research grant of US\$209,111 (HK\$1,633,157) was given to the University of Minnesota to support my work in the CADENZA project in Hong Kong**

### **Competitive Contract Research**

#### **As Principal Investigator**

- E.12 Principal Investigator. A study on the practice outside Hong Kong on financial assistance for persons with disabilities. Funded by the Labor and Welfare Bureau of HKSAR Government. Award amount: HK\$1,099,027 (award period: 2013 – 2014, status: final reported submitted)

- E.13 Principal Investigator. Casemix study on the community care services for the elderly. Funded by the Social Welfare Department of the Hong Kong SAR Government. Award Amount: HK\$1,430,000 (award period: 2013 – 2014, status: draft final report submitted, impact: findings from this study will help the Social Welfare Department to develop a payment level system for its new community care voucher pilot program.)
- E.14 Principal Investigator. Study on enhancement of integrated home care services. Funded by the Hong Kong Family Welfare Society (HKFWS). Award Amount: HK\$247,200 (award period: 2013 – 2014, status: on-going, interim report submitted)
- E.15 Principal Investigator. Retirement protection knowledge and planning of middle class middle age working people in Hong Kong. Funded by the Prudential Assurance (Hong Kong). Award amount: HK\$500,000 (award period: 2013, status: completed)
- E.16 Principal Investigator. Landscape study of community care services for older people in Hong Kong. Funded by the Hong Kong Housing Society. Award amount: HK\$139,483 (award period: 2013, status: completed)
- E.17 Principal Investigator. Promoting aging-in-place for elderly tenants in rental estates of Hong Kong Housing Society (HKHS). Funded by the Hong Kong Housing Society. Award amount: HK\$500,000 (award period: 2011 – 2012, status: completed, **award: this project received the 2014 Knowledge Exchange Award from the Faculty of Social Sciences, HKU**)
- E.18 Principal Investigator. Mental health assessment and screening instruments for Southeast Asian Populations. Funded by the U.S. Department of Agriculture's Agriculture Experimental Station Research Grant. Award amount: US\$100,000 (HK\$780,000, award period: 2009 – 2011, status: completed)
- E.19 Principal Investigator. Trends in family attitudes and values in Hong Kong. Funded by the Central Policy Unit of the HKSAR Government. Award amount: HK\$ 255,000 (co-principal investigator: Professor Nelson Chow, Department of Social Work and Social Administration, HKU, award period: 2007 – 2008, status: completed)
- E.20 Principal Investigator. Mental health needs and services utilization of Southeast Asians in Minnesota. Funded by the US Department of Agriculture's Agriculture Experiment Station Research Grant. Six year total budget about US\$130,000 (HK\$1,014,000, award period: 2003 – 2009, status: successful completed)
- E.21 Co-Principal Investor. Informal kinship care in Minnesota: A pilot study. Funded by the Minnesota Kinship Caregivers Association for US \$50,000 (HK\$390,000, principal investigator: Dr. Priscilla Gibson, University of Minnesota School of Social Work, award period: 2002 – 2003, status: completed)
- E.22 Principal Investigator. Patterns of nursing home use and outcomes in Minnesota. Funded by the Hartford Foundation. Award Amount: US\$100,000 (HK\$780,000, award period:

2001 – 2003, status: successfully completed)

### **As Co-Investigator**

- E.23 Co-Investigator. Residential home for the elderly of Hong Kong Sheng Kung Hui Welfare Council. Funded by the Hong Kong Sheng Kung Hui Welfare Council. Award amount: HK\$369,368. (Principal Investigator: Dr. Vivian Lou, Department of Social Work and Social Administration, HKU, award period 2014 – 2015, status: ongoing)
- E.24 Co-Investigator. An evaluation study of the LinkAges Project. Funded by the Aberdeen Kai Fong Association (AKA). Award amount: HK\$299,485 (principal investigator: Dr. Vivian Lou, Department of Social Work and Social Administration, HKU, award period: 2013 – 2014, status: ongoing)
- E.25 Co-Investigator. A comprehensive study on housing in an ageing community. Funded by the Hong Kong Housing Society. Award amount: HK\$1,930,000. (Principal Investigator: Professor Rebecca L. H. Chiu of the Dept. of Architecture, HKU; award period: 2013 – 2014, status: ongoing)
- E.26 Co-Investigator. Pharmaceutical services of elderly patients in Hong Kong. Funded by the Pharmaceutical Society of Hong Kong Limited. Award amount: HK\$65,050. (principal investigator: Prof. Ian Wong, Department of Pharmacology & Pharmacy, HKU; award period: 2012, status: completed)
- E.27 Co-Investigator. Social capital and life satisfaction of social service users. Funded by the Yan Oi Tong. Award Amount: HK\$297,600. (principal investigator: Dr. Vivian Lou, Department of Social Work and Social Administration, HKU, award period 2011 – 2012, status: completed)
- E.28 Co-Investigator. Full-scale implementation and sustainability of small group nursing homes in Tupelo, MS: Lessons for replication. Funded by the Commonwealth Foundation. Award amount: US\$29,985 (HK\$233,883, principle investigator: Prof. Rosalie Kane, University of Minnesota School of Public Health, award period: 2006, status: completed)
- E.29 Co-Investigator. Research of program and techniques taken by states to rebalance their long term care system. Funded by the Center for Medicare and Medicaid Services. Award amount: US\$2,018,246 (HK\$15,742,319) (principal investigator: Prof. Rosalie Kane, University of Minnesota School of Public Health, award period: 2004 – 2007, status: completed)
- E.30 Co-Investigator. Feasibility of small group nursing homes: Lessons from Tupelo, Mississippi. Funded by the Commonwealth Foundation. Award amount: US\$295,330 (HK\$2,303,574, principal investigator: Prof. Rosalie Kane, University of Minnesota School of Public Health, award period: 2003 – 2005, status: completed)

## **Competitive University Grants**

### **As Principal Investigator / Co-Principal Investigator**

- E.31 Principal Investigator. Monetary costs of community care for dementia: A pilot micro-costing study using ecological momentary assessment. Seed Funding Program for Basic Research, HKU. Award amount: HK\$47,900 (award period: 2014, status: ongoing)
- E.32 Co-Principal Investigator. Ageing. Seed Funding for Strategic Research Theme, HKU. Award amount: HK\$1.5 million (principal investigator: Professor K. S. L. Lam of the Department of Medicine and co-principal investigator: Professor A. Xu of the Department of Medicine, HKU, award period: 2013 – 2016, status: ongoing)
- E.33 Principal Investigator. Ageing with Down syndrome: Establishing the baseline of physical fitness and functioning for adults with Down syndrome in different age cohorts. Seed Funding Programme for Basic Research, HKU. Award amount: HK\$67,300 (award period: 2013 – 2014, status: on-going)
- E.34 Principal Investigator. Family caregiving and long term care decision of frail elderly people in Hong Kong. Seed Funding Programme for Basic Research, HKU. Award amount: HK\$120,000 (award period: 2012 – 2013, status: successfully completed, impact: findings from this study were used to support the application of a research grant submitted to the Public Policy Research Funding Scheme and the project was funded: project E.5)
- E.35 Principal Investigator. Comparative studies of families in Chinese society. Funded by the Grant-In-Aid of Research, Artistry and Scholarship at the University of Minnesota. Award amount: US\$13,188 (HK\$102,866, award period: 2009 – 2011, status: successfully completed)
- E.36 Principle Investigator. Nongovernmental organizations and development of social welfare in China.” Funded by the Grant-In-Aid of Research, Artistry and Scholarship at the University of Minnesota for US\$17,097 (HK\$133,357, award period: 2002 – 2003, status: successfully completed)
- E.37 Principal Investigator. Family caregiving among elderly people: racial and ethnic differences.” Funded by the President's Faculty Multicultural Research Award, University of Minnesota for US\$7,336 (HK\$57,221, award period: 2000 – 2001, status: successfully completed)
- E.38 Principal Investigator. Minnesota social work institute on community based participatory research and education. Funded by the University of Minnesota Engaged Department Grant. Award amount: US\$9,970 (HK\$ 77,766, co-principal investigator: Professor Elizabeth Lightfoot of the University of Minnesota School of Social Work, award period: 2010 – 2011, status: successfully completed)

**As Co-Investigator**

- E.39 Co-Investigator. Contributing Factors and Early Outcomes of Delayed Help-seeking and Intervention in Dementia: Naturalistic Prospective Study and Predictive Model. HK\$96,068. (principal investigator: Dr. GHY Wong, awarded period: 05.2015 – 05.2016, status: on-going)
- E.40 Co-Investigator. Comparing vascular dementia and Alzheimer's dementia: a preliminary, cross-sectional, multimodal comparative study evaluating clinical and cognitive profile, neuroimaging, biomarkers and quantitative EEG. HK\$120,000. (principal investigator: Dr. Joseph Kwan, award period: 01.01.2015 - 30.04.2016)
- E.41 Co-Investigator. Cognitive, psychosocial and neurobiological predictors and pathway of change in people with mild Alzheimer's disease receiving cognitive stimulation therapy. Seed Funding Programme for Basic Research. HK\$120,000 (principal investigator: Dr. GHY Wong, awarded period: 2014 – 2015, status: on-going)

**Conference Grants (last three years)**

- E.42 Principal Investigator. The 66th Annual Scientific Meeting of the Gerontological Society of America. URC/CRCG - Conference Support for Teaching Staff. Award amount: HK\$16,500 (awarded period: 2013, status: successfully completed)
- E.43 Principal Investigator. The 65th Annual Scientific Meeting of the Gerontological Society of America. URC/CRCG - Conference Support for Teaching Staff. Award amount: HK\$16,500 (awarded period: 2011, status: successfully completed)
- E.44 Principal Investigator. The 64th Annual Scientific Meeting of the Gerontological Society of America. URC/CRCG - Conference Support for Teaching Staff. Award amount: HK\$16,500 (awarded period: 2011, status: successfully completed)
- E.45 International Travel Grant for a trip to earthquake disaster areas in China, International Office of the University of Minnesota: Award amount: US\$1,500 (HK\$11,700, awarded period: 2008, status: successfully completed)

**HKU Knowledge Exchange Grants**

- E.46 Principal Investigator. Health x Productive Ageing: Elder peer health educator programme. Funded by the Impact Project Scheme of Knowledge Exchange Exercise 2014/15. Award Amount: HK\$70,000 (awarded period: 2014 – 2015, status: ongoing )
- E.47 Workshop and Implementation Guidebook for Elderly Services Organisation Managers on Evidence-based Non-pharmacological Interventions for People with Dementia and Family Caregivers. Funded by the Impact Project Scheme of Knowledge Exchange Exercise 2014/15. Award Amount: HK\$85,000 (award period: 2014 – 2015, status: ongoing)

## INVITED KEYNOTE/PLENARY LECTURES

### International

#### After joining the University of Hong Kong in 2011

- F.1 *Older people's social engagement in Hong Kong and China.* Feb 23, 2015. National Singapore University, Singapore
- F.2 *From recipient society to participant society: social policy agenda for ageing societies in Asia.* Nov 2, 2014. Chinese Gerontological Society, Shanghai
- F.3 *Policy aspects on psychosocial issues related to dementia patients and their caregivers.* Jun 2, 2014. Presented at International Alzheimer's Disease Conference 2014 in Hong Kong
- F.4 *Toward an empowerment based long term care policy.* May 3, 2014. Presented at Harvard Asia Center's Asia Vision 21 Conference in Hong Kong
- F.5 *Population ageing and long term care policy in Hong Kong.* Nov 19, 2013. Presented in Tulane University, USA
- F.6 *Tracking social issues arising from funding healthcare in an ageing society.* Oct 31, 2013. Presented at Swiss Re Health Symposia 2013 in Hong Kong
- F.7 *Case example of primary data: Long-term care – moving from national to cross national research.* Jun 22-23, 2013. Presented at Global Ageing Initiative in Seoul, Korea
- F.8 *Social workers in eldercare services.* May 25-27, 2013. Presented at Shanghai Forum 2013 in Shanghai, China
- F.9 *Always staying relevant and young at heart.* Sep 6-7, 2012. Presented at Toward an Age-Friendly World Conference in Singapore
- F.10 *Psychosocial Care of Dementia Caregivers.* Jun 15, 2012. Presented at International Alzheimer's Disease Conference 2012 in Li Ka Shing Faculty of Medicine, The University of Hong Kong
- F.11 *Mental health of low income older people in the US.* May 22, 2012. Presented at Zhejiang University International Conference on Ageing in Zhejiang University
- F.12 *Development of research in productive aging.* Feb 9, 2012. Presented at 1. Productive Aging Conference in Taiwan.
- F.13 *Interaction between long term care policy and family care for frail elders in ageing*

*society (老齡化社會下的長者政策與家庭養老文化及社會政策有何互動關係)*. Feb 6, 2012. Presented at Cross-Strait Conference on Elderly Services in Hong Kong

- F.14 *Evidence based elder care - How research contributes to improve the quality of care and quality of life of older people in long term care system*. Dec 7, 2011. Presented at Knowledge Exchange Conference: Knowledge Transforming Society in Hong Kong
- F.15 *Advancing research / evaluation of productive aging program: Building the evidence base*. Aug 10, 2011. Presented at Productive Aging in China: Toward Evidence-Based Practice and Policy Conference in Beijing, China

### **Before joining the University of Hong Kong**

- F.16 *Long term care in the United State*. Dec 17, 2008. Presented in Beijing Normal University, Beijing, China
- F.17 *Roles of social work professions in post-disaster intervention*. Nov 13, 2008. Presented at the Global Dialogue: International Conference on Post-Disaster Recovery and Reconstruction in Chengdu, China
